

25X1A

Wednesday - 26 January 1950 25X1A

25X1A 1. A request has been received from [REDACTED], Adminis-
25X1A trative Assistant, [REDACTED] as to whether there is any manner in
25X1A which [REDACTED] a new employee of EED, could be paid for the com-
25X1A pletion of a report which he was preparing for the House Merchant
25X1A Marine Committee immediately prior to his employment by us. The
Committee felt it is unable to pay Mr. [REDACTED] directly, and desired
that CIA pay him on an overtime basis to complete this report on a
reimbursable basis from the Committee. I informed [REDACTED] we
were legally unable to do so, but that Mr. [REDACTED] should attempt to
secure a fee contract from the Committee for the completion of the
work as this would take it out of the prohibition of the dual compen-
sation laws. 25X1A

2. Mr. [REDACTED] spoke with Mr. Harvey of the House
Appropriations Committee.
